

### ***Money for College....***

Parents and seniors are encouraged to watch a series of short videos concerning their future. The address is:

***payingforcollegesd.org***

At the top of the page click on video series.

It is a series of short videos on: Planning Your Future, Cost saving Strategies, Budgeting and For Parents.

The DAR (Daughters of the Am. Revolution) for this year is Avery Broughton. She will now compete for state awards and scholarship.

Congratulation Avery

The Dakota Dreams Online Tutoring Program provides free online tutoring to K-12 students in South Dakota in the subjects of English/Language Arts, Math, Science and Social Studies.

**Dig Pink Night 2022!** Pink tutus, pink wigs, and even pink hair? The 2022 Dig Pink night was a night full of fun costumes where everyone dressed in their best "pink" attire to support breast cancer awareness.

Ashlyn Lefers, Jacey Kemp, and Paige Timmermans took on the dig pink night as their FCCLA project. They organized a bake sale with the proceeds raised going to the Douglas County Pink Ladies and the Aurora County cancer fund. The girls raised closed to \$700 to be split between those two organizations!

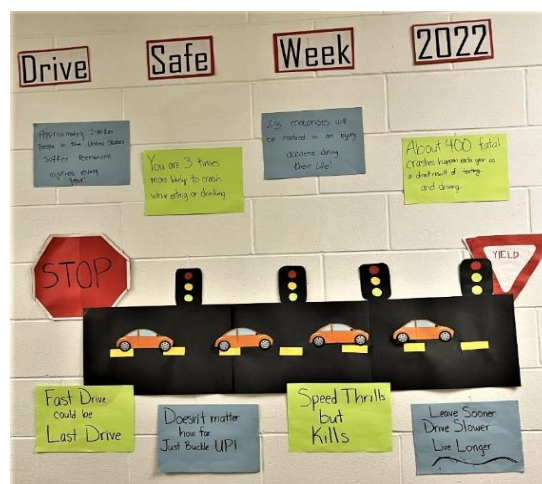

The boosters also made a dig pink shirt for the evening, which featured a Jaguar with a pink cancer ribbon beside it. Something new this year was a dress up contest where fans wore their best "pink" attire. There were so many great costumes that there were two winners of the night: Daryan De Vries and Shad Bosma. The winners were given a gift card donated by Jen Bartelt and family in honor of her mother, Anna Horst, who battled cancer for 15 years.

**Thank you to everyone who donated their time and money to the Dig Pink night!**

\*\*\*\*\*

**Drive Safe Week** was celebrated October 10th-14<sup>th</sup> at the high school again this year. The drive safe committee created a wall display with facts about safe driving. They also met drivers at the gate to get into the parking lot and asked if they were wearing their seatbelts. If they were they got a "smartie candy". If they weren't wearing their seatbelt they got a "dum dum" sucker. If someone was wearing their seatbelt, they were entered into a drawing for a gift card to Corsica Travel Plaza. The winner of the gift card was Bridget Wieczorek!

# Title I Tidbits

Season of  
Thanksgiving

We are a Title I school here at Corsica-Stickney Elementary. We are bound by the laws and guidelines set up by the Federal Government. ESSA or Every Child Succeeds Act of 2015.

Parental involvement always has been the cornerstone of Title I. It is one of the components of the Federal law referred to as ESSA. The law defines parental involvement as the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring

- that parents play an integral role in assisting their child's learning;
- that parents are encouraged to be actively involved in their child's education at school;
- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
- that other activities are carried out, such as those described in section 1118 of the ESEA (Parental Involvement). [Section 9101(32), ESEA.]

We are very fortunate here in Corsica-Stickney to have great parent involvement in our schools. We have great attendance at our open house, parent-teacher conferences, concerts, sporting events, award's night, classroom holiday parties, plays, and homecoming. **We welcome parents to come into our elementary and volunteer in their child's classroom, volunteer to read to your child's class, helping your child with homework, coaching, and helping with class parties/ field trips throughout the year. We appreciate your help at home with homework.**

The Harvard Family Research Project concluded that **parental involvement** is associated with higher **student achievement**. ... Students are also more likely to enroll in higher-level programs, pass their classes, attend school regularly, and have better social skills and move onto post-secondary education. (Mar 28, 2013)

We here at Corsica-Stickney School want to take this opportunity to say **THANKS** to all of the parents of the students in our district for your parental involvement. We appreciate all you do to foster, encourage and support the children in our district.

A copy of our School Wide plan and our Local Agency Plan for Title I is available for viewing on the school's webpage under the Academics link.

The 2<sup>nd</sup> graders were busy in the Science Lab learning about different landforms and how water flows down a mountain. We also discussed how the landforms change as water flows. We have been learning about the many different landforms and bodies of water in Unit 1 of our Science books.

\*\*\*\*\*

IT'S BACK IN THE DAY IN 2700 B.C. AND THE 6<sup>th</sup> GRADERS NEEDED TO MAKE AN INVENTION/ADVERTISE WHY YOU SHOULD BUY THEIR PRODUCT. WE HAD PROJECTS FROM PLOWS, SAILBOATS, CLOCKS, IRRIGATION SYSTEM, CALENDARS, SOAP, WHEEL, AND BOARD GAMES. THEY HAD TO TELL WHY THIS INVENTION WOULD HELP PEOPLE AND WHO THE TARGET MARKET IS. SHOWN ARE SOME OF THEIR INVENTIONS.

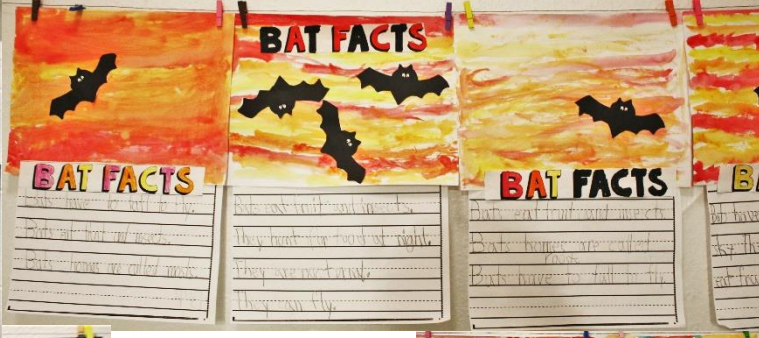

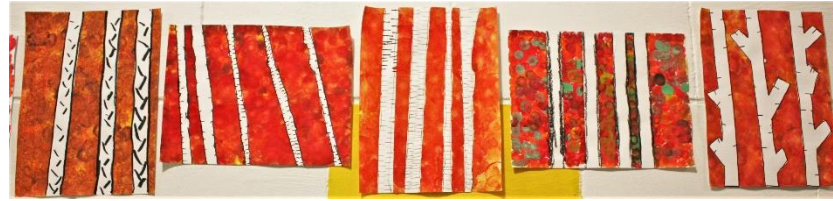

## Safety Day

The Centers for Disease Control and Prevention tells us in 2014 an estimated 893,000 youth under the age of 20 reside on a farm, with about 454,000 youth performing farm work. On Wednesday, October 12, the **3<sup>rd</sup> and 4<sup>th</sup> grade students** attended a Safety Day at the Aurora County Ag Building in Plankinton, SD. There were a variety of hands-on activities and presentations to educate the students. The students learned the importance of farm, electrical, gun, and food safety as well as the importance of hand washing.
