#### CORSICA HIGH SCHOOL

# HIGHLIGHTS"

#### ASSEMBLY HELD

on October 15 at 9 a.m. the student body, grade school and Christian Grade School were entertained by Mr. Lynn Roberts.

Mr. Roberts, who has traveled with Joanne Castle and Myron Floren of Lawrence Welk fame, presented a musical program using a flute, clarinet, alto sax, tenor sax, and guitar.

His numbers included a very wide variety of entertainment. He went from "Yankee Doodle" and "Dixie" to a Scottish bagpipe number, in which Rocky Maunders and Kip Smith provided an able (??) accompaniment.

Mr. Roberts has just returned from a tour of the army bases in Europe, and many of his selections had been played on his tour.

#### LIBRARY SUPERVISOR

Mrs. Marjorie Sougstad, state library supervisor, visited the CHS library on Thursday morning. She inspected the library facilities and offered suggestions on cataloging, planning for new books, and scheduling a library training course for student librarians.

kiss Pagel, doclar ceach, wishes to express her thanks to the students for their hard work and for the fine effort they put forth in making the contest so successful.

#### DECLAM CONTEST

Winers in the local declam contest held Thursday, October 17, were Sandra Bamberg, oratory, Allen Hoekman, dramatic, Jill Teeselink, poetry, and Laura Schryvers, humorous.

Professor Malthis Campbell, head of the speech department at Dakota Wesleyan University in Mitchell, judged the event. Miss Pagel is director of declam.

The winners will participate in the district contest at Stickney on October 29.

Jill Diane Walters, Teeselink, Connie Spaans Avis Denning, Schryvers, Geraldine Van Dyke, Elva and Allen Hoekman, and Miss Pagel attended the oral reading clinic at Vermillion on Saturday, Oct. 12. Heston from Northwestern University was the fea tured speaker and presented us with the ways of conquering some the the more common problems in speak ing. Each of the students gave his declam selection before other evaluators and received criticisms on it. Everyone enjoyed the day and benefitted greatly from

Alternates for the declam competition are the following people, named as second place winners in the contest: Connie Spaans, in dramatic, Brent Beukelman, poetry, and Avis Denning, humorous.

### HEALTH PROGRAM

by Mrs. Dean Hamburg

A new service in corsica Public School this year is a planned health program. This is available through our Title I funds and we hope the students will take advantage of our first aid service.

We plan to begin grade school physicals this week along with promoting good health and hygiene throughout the school.

Literature has been ordered concerning health,
hygiene, growth and development which we hope will
be of some help to all the
students in school. Our
room is in the new grade
building and we invite you
to visit us.

# ALL-STATERS SELECTED

The finalists for All-State Chorus were chosen by Mr. Wiens and Mrs. Star this past week. They are as follows: Shari Star, soprano; Mary Zomer, alto; Brent De Boer, tenor; and Allen Hoekman, bass.

The following were chosen as alternates: Judy Menning, Sue Strehlow, Brent Beukelman, and Roy Beukelman.

The pianists are Jo-Anne VanRoekel and Judy Lieuwen who also have been working very hard.

The regulars will go to Aberdeen on Nov. 8th and 9th for the All-State chorus.

Advisor . . . . . . . . . . . . . . . Mrs. Hughes

# EDITORIAL WHY READ?

This year I am a junior. Therefore, I was able to become a librarian in our school library.

I didn't read much because I thought I never had the time or that some books were dry and uninteresting, but I thought working in the library would be fun. Before I knew it though, I found myself standing there surrounded by all those different sized books with different colored covers. All of a sudden, I realized how little I knew about good books and good literature. Why, when someone talked about a book he had read, or made a reference to it, I didn't have the slightest idea of what he was talking about.

While I was working, I paged through some classics just to see what they were like. After doing so, I was ashamed of the opinion I had established. I read some of them and found that they were quite the contrary. Well, I made up my mind I wasn't too busy to read and that I would not be a dummy on the subject of reading any longer.

I now read as many books as I possibly can. I have learned not to judge a book by its cover, but by its contents.

How about YOU? Why not stop in at your friendly school library, pick up a good book, and reap the rich rewards of READING.

### from Nettleton

Harlan Niewenhuis, son of Mr. & Mrs. Edwin Niewenhuis of Stickney, has enrolled at Nettleton College in Sioux Falls. He Leganhis training on October 14 and is pursuing the accounting program.

If you are too tired too go on with a certain task, just think about your worst adversary succeeding at the same job.

Keep a small plot in your back yard to bury your friend's faults.

#### INTERVIEW

Sharon Neugebauer

Sharon Louise Neugebauer was born on January 26 of 1951, to Mr. & Mrs. Albert Neugebauer of Dimock. She is now a senior at Corsica High School.

As far as school goes, she enjoys Mr. Droppers as a teacher and says that office practice is her favorite subjects.

When she is not in school, you might find Sharon bowling, sketching, or dancing.

As yet, her future plans are undecided.

#### COMETS BEAT ETHAN

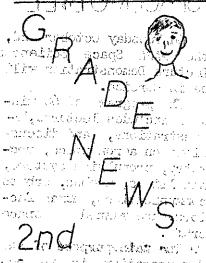

Corsica traveled to Ethan and defeated them 47 to 13. Corsica was led by Harley Wolbrink with tow TDs. Following him were Kip Smith and Roy Beukelman with two each. Rob Gruenwald added another and Corsica also added a saftey in the third quarter.

For Ethan Lingimanne and Oster each had a touchsown.

Corsica was led in defense by Maunders, Smith, DeWaard, and Vanden Berge.

# ALUMNI BANQUET

Moroon graduation capes with white tassels and white diplomas are the table settings for the annual 1968 alumni banquet to be held at the Corsica High School cuditorium tonight, October 18. The honored classes are 1968, 1958, 1948, 1938, and 1928.

Mrs. Van Peursem

We have been busy making Halloween pictures to
put up in our room.

Roger had a birthday this past week, so we all received a treat from him. Happy Birthday, Roger.

In English we have been studying about telling and asking sentences. We have been writing our own sentences.

### 3rd & 4th

Miss Hofer

Boooooooooo!

We are very happy that we won 2nd prize on our float on homecoming day.

As we do not have too much news we thought it would be nice to give a Halloween poem since it's only two weeks away!

Halloween Night

#### 7th & 8th

Mr. Kulvay and or or the 7th and 8th grades -now have all their text books::and lequipment/Land -reverything is rolling along and quite well. The period of adjustment is over and well a are getting down to the said. -routine of the school years we will We have been respending a: lot of time in 7th science discussing the make-. Eup of the universe and the possibilities of interplanetary space travel In mathematics we are working those "dull old vprobin blems" as the are sometimes, referred to.

Our homecoming float didn't win any prizes but we thought it quite a success. A project of the type takes all the co-ordinating effort of all and I'm sure everybody learned something from it. Thanks to all who let us use their belongings.

### 5th &6th

Mrs. Schroeder

In arithmetic we are studying fractions. In English we are studying nouns and pronouns. We are studying Chili and it's people in Geography. We got a political board with pictures. We will vote in November with sample ballots. We also have an aquarium in our room.

Look who's coming down the street!

Look who's calling "trick or trest"!

A little ghost dressed all in white;

And a very ugly witch.

Her hair is black, her dress is, too.

Everyone carries a big, big sack

of bright, bright orange

and a wide strip of black.

If the witch will come,

The ghost will too,

So---watch---out---where

Youuuuuuuuuuuuuuu go.

#### Ist

Mrs. Krull

Our room has taken on a Halloween atmosphere. We Have decorated our room with pumpkin men and, Jack-o-laterns, witches and ghosts.

We have been using Halloween symbols in our arithmetic classes. We have been studying sets and ordinals and counting.

Plants and insect life
has been our unit in Soience. We enjoyed a field
trip with the second grade.
Some of us had our own
home made metal. We found
many insects and the

. We are reading from our second pre I primer. We think reading is fun.

Julie Bolt, Wayne Reimnitz and Daniel Eggers had birthdays and treated our room. David shared a new book with his room.

# Faculty Attends SDEA

Faculty member of Corsica Public School attended the state meeting of the SDEA, held at Sioux Falls last week.

Highlights of the convention were the sessions, one of which included addresses by the leading candidates for political office, and the workshops and round-table discussions for the benefit of individual subject fields.

The SDEA endeavors to help teachers keep up-to-date with expert help give at these workshops and round-the-table discussions, with opportunity given to the teachers for questions about special problems, areas in their fields of teaching.

# YOUNG ADULTS ECONOMIC SEMINAR

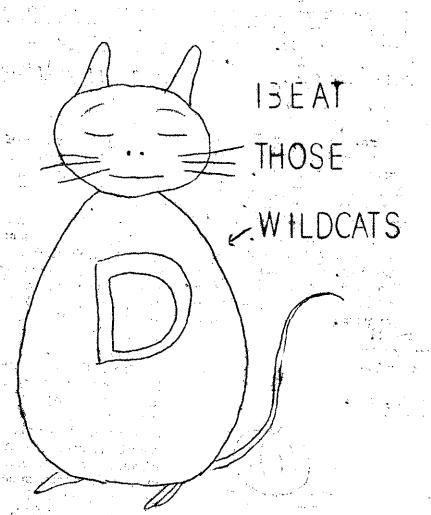

by Doug Reimnitz.

On October 9th and 10th, I had the privilege of attending the 7th annual Young Adults Economic Seminar at Huron. I rode up with students from Lake Andes and Srmour.

The seminar opened at 12:30 with a luncheon. The first afternoon was filled with speakers telling of the importance of good economic practices. Group discussions were held later in the afternoon. The evening entertainment was presented by students from General Beadle College.

The seminar started again the next morning at 7:30. The day was again filled with speakers and group discussion. After the last speaker, 4-minute-long speeches were given by some students on what the seminar meant to them. They were awarded with savings certificates. The seminar adjourned at 3:30.

I thought this seminar was very interesting, educational, and worthwhile, and I thank the Corsica Bank who paid all the expenses.

#### SPACEMOBILE

On Tuesday October 22, the NASA Space Scilences Lecture Demonstration will be in Corsica.

The program of 60 minutes includes lectures demonstrations, and discussions on aeronautics, rocketry, propulsion systems, satellites, probes, orbits, communications, human factors, and manned space craft.

demonstration is to acquaint the general public with the major accomplishments and future objectives of the space agency.
