COMETS BEAT FINAL GAME

The Comets finished the football season undefeated for the second year in a row by stomping the Geddes Rams here Friday night by the score of 56-0.

For the Comets Rocky Maunders, Kip Smith, and Harlan Wolbrink each had two touchdowns. Rob Gruenwald, Mark VanZee, and Brent Beukelman all had one each.

On defense the Comets were led by Jay DeWard, Von Denning, Ronnie Vanden Berge, Smith, and Maunders.

Mick Thompson was tough for Geddes.

PLAYERS NAMED TO ALLCONFERENCE

On the evening of October 29, 1968, at Lake Andes, S.D. selections were made for the Fort Randall All-conference football team.

Those selected from Corsica High School were Rocky Maunders, quarterback; Kip Smith, offensive guard; Ron VandenBerge, defensive end; Harlan Wolbrink, half back; and Jay DeWard, line backer.

The student body of CHS would like to congratulate these five seniors on a job well done.

Congratulations!

DECLAM GROUP AWARDED TROPHY

Sandy Bamberg, with the oratory selection, "Two Beneath That Flame" won the superior rating at a district declam contest at Stickney on October 29.

Jill Teeselink with a poetry selection, "The Raven"; Laura Schryvers with the humorous selection, "First Date"; and Allen Hoekman with a dramatic piece, "Old Man at the Bridge" received excellents, taking home the trophy which goes to the school with the highest over-all rating after tying with Parkston and Menno.

ARE WE POLITICALLY AWARE???

by Barb De Boer

Elephant, mule, whatever it may be, our next president will take on the great task of leading our country. As teenagers are we aware of what has been happening in the past months in preparation for the November election coming up? What do we really know about the candidates, other than the fact that Nixon is a Republican (elephant), Humphrey is a Democrat (mule), and Wallace is a third party entry, (the other one)? If given the privilege, could we vote intelligently next week?

In the past months much campaign strategy has been put into action. The fellows wishing positions have familiarized themselves with the general public, (including teenagers, I hope) and have stated their opinions on racial, political, and other various matters not excluding the Viet Nam war.

It is now speedily reaching the day of decision for all eligible Americans. By now they should have nearly concluded their evaluation of the candidates, but the candidates themselves are not giving up their campaigns at this point. It seems the less time left before election, the more "mud" they sling at each other. Have you ever thought about this? Will we, the politicians of the future, do this when it becomes our turn to stand in this situation? What does this show about the honesty and integrity of the person who is to take on such a great office and responsibility? This is one thing we as teenagers should be concerned about today--right now, even though we can't mark the ballot.

I think we could be more concerned with what is going on, especially when it involves such important issues as these. Some day soon we will find ourselves in the upper ranks of society rather than in the teen-bopper or bubble-gummer category. At that point we will wish we had been attentive and learned from past experiences in history or had noticed the efficient phases of our democracy for constructive use in the future. Let's get into the groove yet before this election for by the time the next election rolls around some of us will be eligible to vote. The observation and experience of this election will be an asset to us at that time.

GOING STEADY

by S.S.

I noticed lately that there are a lot of girls around school that are wearing big rings on their fingers or on chains around their necks. All the boys seem to have girl's rings on their little fingers.

Do you really think that kids in high school should go steady? Oh, I suppose some of you guys and girls that are going steady say well of course you should, But stop and think about it.

I have always felt that if you want to go steady--don't until you are at least a senior. I think high school should be the greatest time of your life and you should go out and have fun and not worry about any certain person getting mad at you if you go with someone else. Do not get me wrong, I'm not knocking it because in a way it's great to go steady. But, if you go steady then that is exactly what you should do and not step out on the person all of the time.

I don't think you should go steady until you are ready to settle down and be true to that person.

SENIOR INTERVIEWS (football squad)

ROB GRUENWALD

Mr. and Mrs. Leon Gruenwald became the proud parents of a bouncing baby boy on February 16, 1951 at the Methodist Hospital in Mitchell. They named him Robert Rand and he has now reached the height of 5' 8".

Some of Rob's favorites are teacher, Mr. Henthorne; subject, chemistry; song, Over You; movie, The Graduate; actor, Sidney Poitier; actress, Raquel Welch.

Rob likes eating steak and his favorite drink is Pepsi and his favorite pastime is eating.

Rob's opinion of CHS is, "It's the greatest school in S. D." He thinks they should get wrestling matches started to add to the sports department.

Rob is one of the best all-around football players, as Mr. Selchert says. He enjoys playing football because it's the greatest sport this school has ever had and probably ever will. Rob has set two school records: one in pole vaulting and the other one in the 2-mile relay with Ronnie, Dwight and Bronie.

Rob's opinion of the coach is "Basically, he's a great coach, and etc."

Rob's future plans are to attend college.

(continued from Page 1)

Sandy will advance to the regional contest November 13, at Mount Marty High School at Yankton.

Other schools participating were Armour, Ethan, Stickney, Tripp, and Delmont.

The judges were Virgil Petrik, Dan McLellan, and Arnie Stanseth, all from Southern State College.

KIP SMITH

Kip Smith, one of our mighty senior football players, has proved a great help to CHS's football team these past two years. Kip plays offensive half-back and defensive guard.

When not occupied with sports you might find Kip at any show staring Dean Martin or Raquel Welch or maybe "The Valley of the Dolls." Or you might find him eating pizza and drinking Pepsi as they are his favorite foods.

Kip didn't want to hurt any teachers' feelings by picking favorites; however he did say as a subject he preferred Sr. Math.

In the past 3 years Kip has gone out for track all 3 years and football and basketball the last 2 years. This year he plans to try for all three.

He said he thinks CHS is a great school with a fairly good athletic dept. Next year he plans on either joining VISTA or attending Northern State College.

JAY WAYNE DEWAARD

Jay Wayne De Waard, was born to Mr. and Mrs. Corstiaan De Waard on Dec. 12, 1950.

His favorites:

Food: steak

Drink: 7-up

Song: Midnight Confession

Movie: To Sir With Love

Sport: Basketball

Teacher: Mr. Wagner

Subject: Chemistry Lab

Pasttimes: Watching Corstiaan take pictures.

Jay's opinion of CHS sports right now, is that they are the best they've ever been. He feels that in the future, if the kids keep the spirit they have, that we should continue with our success in sports.

As for his opinion of CHS, he thinks it's a great school with a great bunch of kids.

Jay has participated in football, basketball, and track, during his high school career, and plans to attend college when he graduates from CHS.

ROCKY MAUNDERS

On August 23rd, 1951, Rocky was born to Ray and Carol Maunders at Huron, Wouth Dakota. At birth Rocky weighed 7 lb. 10 oz. and has brown eyes. His favorite food is pizza and his favorite drink he said he won't mention.

His favorite movie was the "Graduate" and his favorite actor is Dean Martin and actress Raquel Welch. He lists "Cinnamint" as his best liked song.

Rocky's pet peeve is "Women drivers". Mrs. Hughes is his favorite teacher, and his best subject is psychology.

Future plan of Rocky's are to attend Northern at Aberdeen.

During his years in CHS he has been active in football, basketball, and track. He has also taught grade basketball. He spent his first two years of high school at Alpena, where he was also active in sports.

Some of the highlights of his high school days were his being candidate for homecoming and prom. He was also vice-president in his junior year.

In his spare time he enjoys just being with the guys.

CLASS NEWS

JUNIORS

The juniors are starting to study for their 9 weeks tests. Two students from the junior class participated in the district declam contest which was held at Stickney. They were Jill Teeselink who recieved an excellent rating in poetry and Sandra Bamberg who received a superior in oratory. The junior class would like to congratulate all those who participated on a job well done. Also, a great big congratulations to our great Comet team on their perfect football season.

FRESHMEN

The freshman class is studying positive and negative numbers in algebra.

In history we are discussing politics in our state and national governments.

In shop the freshman guys are doing drawings.

For the last week in science we have been having lab tests in specific gravity and density.

The freshman class wishes to congratulate the football team.

ELECTION

NOV. 5

Senior Room

12:30-3:00

SENIOR

The senior class ordered announcements Tuesday. Most of them have had their senior pictures taken.

They have been studying Macbeth in English class. Since they have finished reading it, they are now listening to the recording.

The senior class would like to congratulate the football team for their great season and outstanding football record. Also, good luck in basketball.

SOPHOMORE

The sophomores are keeping themselves busy by studying hard for nine weeks tests. In our spare time we are studying genetics in biology. In English we are writing themes.

We would like to congratulate the declam department and the football team on their winnings.

Ronnie VandenBerge

On October 29, 1951, Mr. and Mrs. Lloyd VandenBerge became the proud parents of a bouncing baby boy. They decided to name him Ronnie. He has now reached the height of 6'1 with blue eyes and brown hair.

He has participated in football, basketball, and track for 4 years. He broke a record for the 2 mile relay with Rob, Brent, and Dwight. His opinion of the coaches is: "They're both good coaches and have helped the team a lot."

Ron states that his favorite subject is Chemistry lab with Mr. Kulhavy as his teacher. He likes Coke and steak. His future

DRAMA CLUB ORGANIZED

A drama club was organized at a meeting held Oct. 30. Officers elected were Jill Teeselink, president; Jolene Plooster, vice president; Sandy Bamberg, secretary; and Vicki Dykstra treasurer. The next meeting will be held Nov. 4, at 7:30 at school. Anyone wishing to join may come then.

(continued from col. 2) plans are to attend college. When not busy with his hobby, collecting Christmas cards, he may be found listening to his favorite song, "Shap of Things to Come."

FILM SHOWN ON VISTA

On Friday, Oct. 18, 1968 the junior and senior classes watched a film on Vista. This stands for Volunteers in Service to America.

Two young, energetic boys out of high school who were interested in helping the unfortunate peoples of America, were sent to the Southwestern Region of the U.S.

They found that their job would be rather different for them. They cleaned up the area of all the debris that was scattered about by the villagers.

They also moved in a mobil health clinic where all the children received medical attention, nutritious foods and toys.

Attention was given to the water supply also, for the purifying of water was needed very badly.

COMETS RIP
DELMONT

Friday night Corsica traveled to Delmont and continued their winning ways by clubbing the Wildcats 56-21. For the Corsica Comets Rocky Maunders had three touchdowns, Ronnie VandenBerge had two, Harlan Wolbrink had two, and Brent Beukelman and Roy Beukelman each had one.

Delmont scoring was done in the last half, as both teams used their remaining players.

Corsica was led in defense by Brent Beukelman and Maunders.

I prefer the errors of enthusiasm to the indifference of wisdom.

INTERVIEW
Harlan Wolbrink

Seventeen years ago on May 26, 1951, a brown-haired, brown-eyed baby boy was born to Mr. and Mrs. John Wolbrink. Little did they guess that Little John would become one of the best athletes at CHS.

From the time that he entered high school, Harlan liked all sports and participated in all of them. Harlan isn't very big, but he makes up for it by his zest and his determination to do the best at whatever he does. He really did great work in football and basketball and broke school records in track. He thinks the coaches are great and have helped him a lot. He would like to see football changed from 8 to 11 man.

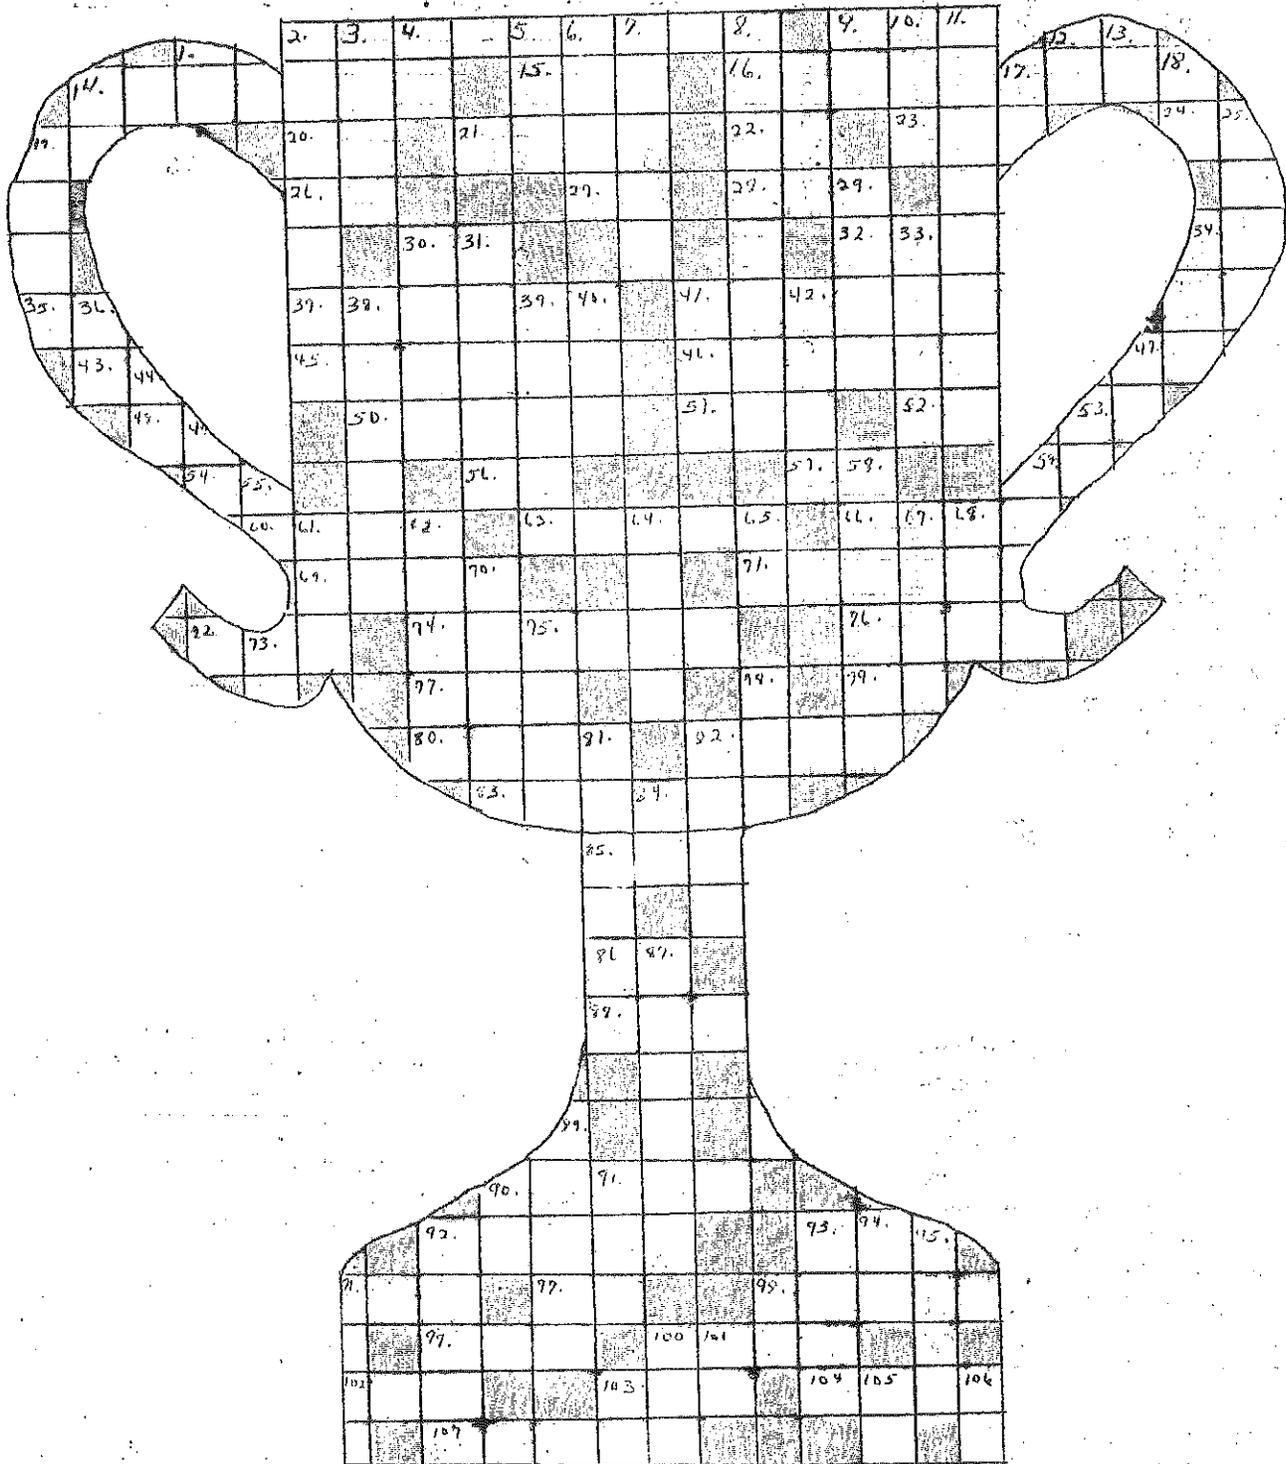

Harlan is like any other red-blooded American boy, as he likes steak, coke, Raquel Welch, Dean Martin, pop music (of which his favorite is "Shape of Things to Come") and, of course watching girls go by.

Harlan has been homecoming king, student council representative, and junior class president.

In the future, he plans to either join the Armed Forces or go on to college, where he would like to play football.
